Gwénaël Simon

Groupama France
Head of Agriculture

Gwénaël Simon has been Groupama's Head of Agriculture since August 1, 2024.

He holds a Degree in Agricultural Engineering from UniLaSalle in Beauvais (Fr) and a Master of Science in Marketing and Product Management from Cranfield Institute of Technology (UK).

Gwénaël Simon worked for eight years at Crédit Mutuel de Bretagne and for the last twenty years at Groupama in various insurance functions and as Regional Insurance Manager of Groupama's Loire-Bretagne region. He has in-depth knowledge and experience of the agricultural world and in particular of risk management and insurance issues for farmers.
